Drain No.: _____ **Drain Name:** _____

1. This application is made for the occupation of an easement held for the above named drain, to cross that drain, or to connect/tap-in to that drain for the following purpose or activity: (Be specific, describe type & size of pipe or structure crossing or connecting, invert elevations, etc.)

2. The point of occupation, crossing and/or connection/tap-in is specifically located as:

I, the undersigned, in applying for permission to occupy a drain easement, cross a drain, or connect/tap-in to a county drain agree to abide by the following terms and conditions:

The application for permit or license must be accompanied by a parcel legal description labeled Exhibit A on 8 1/2" x 11" or 8 1/2" x 14"; and three (3) sets of sealed site plans showing the drain, the drain easement, and the proposed crossing, encroachment, or connection labeled Exhibit B on 8 1/2" x 11" or 8 1/2" x 14." **Leave 1/2" margin on Exhibits.** If in Road Right-of-Way no parcel legal description is required, and only one exhibit need be submitted, that of the proposed crossing, encroachment, or connection labeled Exhibit A.

- A crossing and/or license to encroach submittal shall include a detailed sealed scaled plan, profile, and sectional view of the drain at the crossing and for the full width of the easement.
- A tap-in submittal shall include a detailed sealed scaled plan and profile view of the connection at the drain and for full width of the easement.
- A license to encroach needs detailed sealed scaled plan and profile view of the encroachment in easement on a case-by-case basis. Applicant must pay actual billed costs of ICDC staff and consultants.
