Notice is Further Given that the estimate of costs of the Greencrest Relief Drain to be assessed, and also a description of the area to be served thereby, are on file in the Office of the Ingham County Drain Commissioner, 707 Buhl Avenue, Mason, Michigan 48854; and that the apportionment percentages as finally established by the Drainage Board shall be applied to the actual cost of the drain expenses when finally completed.

Notice is Further Given that any public corporation to be assessed, or any taxpayer thereof, will be entitled to be heard at the time and place of the hearing.

Notice is Further Given that, after consideration of all objections to apportionments, the Drainage Board shall determine whether the apportionments fairly reflect the benefits to accrue to each public corporation and the extent to which each public corporation contributes to the conditions which make drain expenses necessary. If the Drainage Board determines that the apportionments are equitable, it will enter a Final Order of Apportionment confirming the apportionments. Under Section 483 of Public Act 40 of 1956, as amended, the Final Order of Apportionment shall not be subject to attack in any court, except by proceedings in certiorari brought within 20 days after the filing of such order in the Office of the Ingham County Drain Commissioner; and that if no such proceeding is brought within the 20-day period, then the legality of the apportionments for the drain expenses shall not thereafter be questioned in any suit at law or in equity, either on jurisdictional or nonjurisdictional grounds.
