FOR IMMEDIATE RELEASE

August 7, 2019

INGHAM COUNTY DRAIN COMMISSIONER PATRICK LINDEMANN ANNOUNCES CLOSURE OF ONONDAGA ROAD IN DELHI CHARTER TOWNSHIP

Ingham County Drain Commissioner Patrick Lindemann announces Onondaga Road culvert replacement and the closure of Onondaga Road in Delhi Charter Township. The culvert is being replaced as part of the Aurelius and Delhi Consolidated Drain Maintenance and Improvement Project.

Barring any unforeseen delays and weather permitting, Onondaga Road will be closed beginning on Monday, August 12, 2019 between Harper Road and Nichols Road. It is anticipated that the road will be reopened on Saturday, August 17, 2019.

Onondaga Road will be closed to all traffic. North and south bound traffic will be detoured to Grovenburg Road via Holt Road on the north and via Columbia Road on the south. **See attached map.** Residents whose homes are within the construction zone will continue to have access to their homes during construction, but will not be able to cross the Onondaga Road culvert.

Spicer Group, Inc., of Lansing performed the engineering and design work on the project and will also be overseeing the construction. Jackson Dirtworks, Inc. of Lake Odessa, Michigan has been selected as the project contractor.

For further information, please contact Charles Smith at Spicer Group at (586) 383-8244 or Angie Cosman, Ingham County Project Coordinator at (517) 719-5431.
